AGENCYREEL TUTORIAL- How to Generate Client's Report

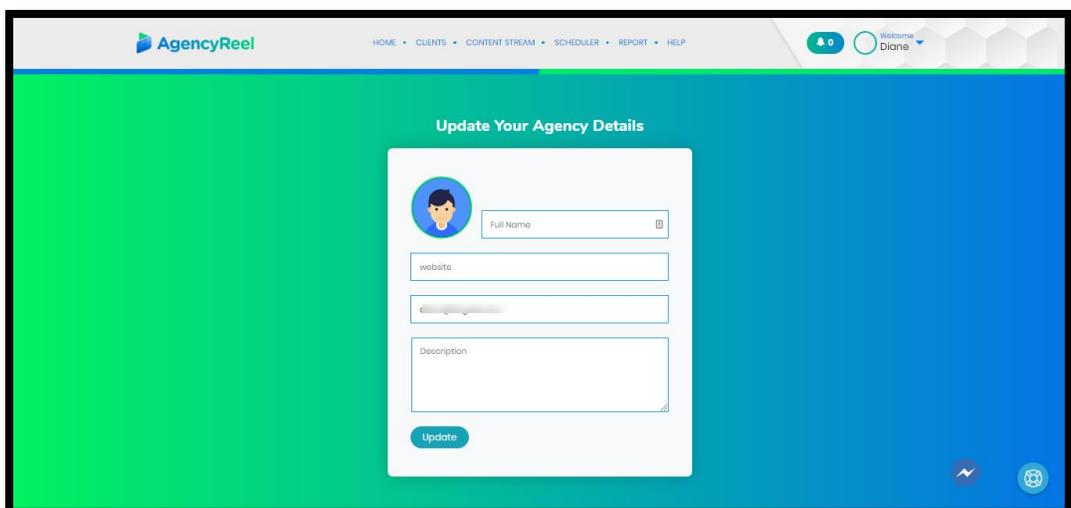

Agency report contains the number of social accounts connected for that client, total schedules for that client and all other related details for that client.

Follow these simple steps below:

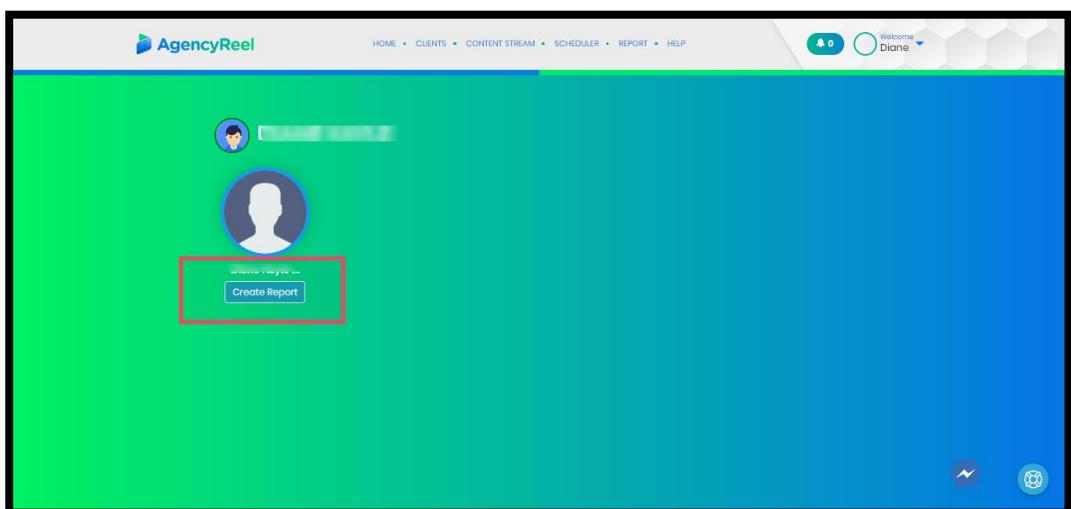

1. On the dashboard, click on the Report tab.

2. Enter your Agency Details then click Create.

3. Once you have successfully created your agency, you will be routed to a summary page. On the summary page, click on Create Report.

4. Select the year and month you'd like to generate the report from then click Generate Report.

A screenshot of a web application dialog box titled "Select Year & Month". The dialog has a blue header with a close button (X) in the top right corner. Below the header, there are two dropdown menus: "Select Year" with "2019" selected and "Select Month" with "Jan" selected. A blue "Generate Report" button is located at the bottom right of the dialog.

Select Year	Select Month
2019	Jan

Generate Report

5. You will then be routed to the reports page. There you can see information such as the social networks managed, the steam summary and its details.
