

A "Content Stream" is a group of a type of content that will be used to publish on a social media account. You can create a "Content Stream" of GIF images and add all your GIF images in it. Same way, you can create a "Content Stream" of short videos and add all your short video clips in it.

Follow these simple steps below:

1. On the dashboard, click on the Scheduler tab.

2. You will land on this page.

AgencyReel		HOME + CULINES + CONTINES STREAM + SCHEDULES + REPORT + HEP						Diane -
			Select A	Date to S	Schedule

You have the option to view a daily, weekly or monthly calendar.

|--|

To choose a date, Click add + Add Content.

17	18	19	20	21	22	23
24	25	26	27	28	29	30
				+ Add Content		
1	2	3	4	5	6	7

4. Select the content stream you'd like to post on your chosen date. Click on Next Step.

5. Select a social media account you'd like to post it to then click Next Step.

6. Set the time you'd like your post to be posted. Click Next Step once done.
